

2024 –202 5 Verification Worksheet

Your 2024–2025 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The last step before awarding Federal Student Aid, we may ask you to confirm the information you and your parents (if a dependent student) reported on your FAFSA. To verify that you provided correct information the financial aid administrator will compare the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent (if you are a dependent student), must complete and sign this worksheet, attach any required documents, and submit the form and required documents to the Office of Financial Aid. We may ask for additional information. If you have questions about verification, contact the Office of Financial Aid as soon as possible so that your financial aid will not be delayed.
